ACCOMMODATION

What's better than staying somewhere that was conceived with the sole purpose of giving you a good night's sleep and relaxation? Nothing, we think, is better than our beautifully-designed rooms and suites. Ingeniously designed to be meditative and escapist, they owe their fresh, breezy design to the crisp linens, the woven rugs, the white shutters, the stunning wallpaper, the standalone matte white bathtubs and tropical showers, and the sundeck, that in-between space between the beach and your bedroom.

15 Sunset Junior Suites

Soak up the day's last golden rays from your terrace facing the lagoon. The white shutters, bed linens, and neutral color palette perfectly match the tropical greenery outside. There's the cleverly-designed dressing room. The modern bathroom with its large walk-in shower is always stocked with our own LUX* toiletries. And the technology to make you feel at home—though we encourage you to disconnect. Perfectly sized for couples and adventurous solo travellers.

10 Junior Suites

Perfect for a family as these rooms can be interconnected. Cleverly-designed with shutters that flood the room with natural light, our Junior Suites are decked with intimate terraces or balconies (and views!) as well as a dressing room, walk-in shower stocked with our own LUX* toiletries. And yes there's AC and a ceiling fan, plus all the technology we humans can't seem to live without. The soothing neutral tones make for a good night's sleep (not to mention chic!)

15 Ocean Junior Suites

From your bubble bath, can you glimpse the great—tropical—outdoors. So much better than staring at a wall, right? These suites are made up of soft colour palettes that give it that lighter, brighter feel. The perfectly sized bathroom has a standalone matte white tub and a shower (always stocked for our own LUX* toiletries). The white shutters, crisp linens, pale wood furnishings are chic and serene. As for the terrace with its wooden deck? You'll be spending time there for sure!

64 Deluxe Rooms

With their neutral color palette, crisp bed linens, white shutters, these rooms are as pretty as can be! And just wait until you see the tropical bar. We have done away with your average hotel minibar: instead it's a full blown, fully customisable one. So fix yourself a drink and settle into the sofa on your terrace or balcony to enjoy the balmy weather. And if you're more of the AC-WiFi-TV type, we have all that too.

45 Prestige Junior Suites

This suite is designed for those who want to experience the slow pace of island living. Think an outdoor tropical shower made of volcanic stone, a standalone matte white bathtub, a terrace where you can sunbathe or read a book that gives onto the lush gardens. As for the interior design, it's a soft color palette with crisp white linens, pale wood furnishings... Soul-soothing, you could say. And of course, the large sliding shutter doors let in that glorious Mauritius sunshine!

15 Family Suites

Spacious sea-facing rooms designed to accommodate a family of travellers. The joy of travelling together is great, but both parents and children need their own privacy from time to time. Enters the Family Suite: a pair of adjoining rooms with king-size beds, and two marble bathrooms, one of which features an outdoor tropical shower. The Family Suite has ample space for the entire family. Inspired by the beach-chic design, the light-filled rooms with neutral colours will instantly make you feel relaxed, and at home. Feeling a bit peckish? You will find tasty treats in the Tropical Bar, your personalised mini-bar that is filled every day. The wide furnished terrace – with sea views – is perfect for spending quality family time together.

EXTRAORDINARY EXPERIENCES

Whether you are a nature lover, foodie, culture-adept, adventurer, wellness-seeker or looking to spend quality family time, we have curated our Extraordinary Travel Experiences for you to enjoy every moment of your stay.

500 CANDLES DINNER

Turning off the lights and lighting the candles makes even the simplest dinner magical. Now imagine being surrounded by 500 hand-lit candles on the sandy shores of LUX* Le Morne's beach or at the gazebo near the pool in our tropical gardens. That, plus a starlit sky... It doesn't get more romantic. Our chef will craft a special menu for you. A night to remember!

AN ENCOUNTER WITH WILD DOLPHINS

The bay of the west coast is home to large pods of spinner and bottlenose dolphins who have grown accustomed to the neighbouring humans. The secret to seeing them? Set off at dawn, just as the first golden light hits the sea. Head to our Boat House and hop aboard our chic Bennington boat to explore the dolphins' natural habitat. Slip on fins and a mask to swim with these playful creatures.

BREAKFAST IN A TREE HOUSE

Two things set this breakfast apart: the setting and the service. The Tree House is a private little escape where morning begins with a breeze, a view, and something chilled—perhaps bubbles or fresh coconut water. The experience is yours to shape. Choose something light and simple, just enough to accompany the sunrise and your thoughts. Or go all out with a lavish spread—freshly baked, beautifully plated, entirely personalised. However you take your morning, this is the kind of breakfast that stays with you.

CINEMA PARADISO IN THE TREE HOUSE

Imagine a candle-lit wooden Tree House perched in the Indian Almond tree by the seashore, the sound of waves below, rugs and cushions scattered across the floor, and a private outdoor cinema waiting just for you. As the sky fades to indigo, cosy up with your partner or your family for Cinema Paradiso, high above the ground and far from the ordinary. Popcorn is, naturally, non-negotiable. Feeling fancy? Add a little sparkle with some bubbles, or let the film set the mood for a round of canapés. Just say the word and our team will be on it.
